27.	Jones, Mary/1st Marine Band	Mark MC-1474	LP	ca. 1978
	This is <i>not</i> a movement from the complete Boyd orchestration above, nor is it even an arrangement by John Boyd. It seems to be a stand-alone work for marching band, beginning with a snippet of "Baba-Yaga," followed by a non-Pictures theme of Mussorgsky, and concludes with a highly-abbreviated version of the "Great Gate of Kiev." The whole arrangement lasts less than two minutes.
